

Mr. Sallade's Class

Reading

1. As a class, we will continue reading The Lemonade War. Students will take this book home to read.
2. We will also read in class, Yoon and the Jade Bracelet. The class will investigate cultures and traditions.

Spelling

The test will be Friday. It is the students' responsibility to practice these words at home!

**mess, head check ready crops stop block rock shut
bathtub jumps slump funnel gush trust**

Social Studies

We will continue to read about rural, urban, and suburban communities.

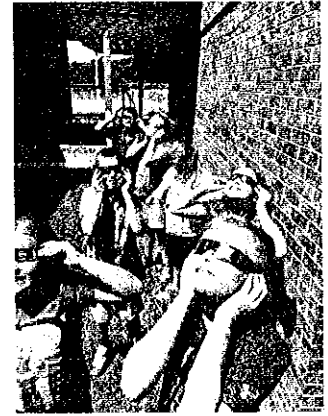

Science

We will continue our first FOSS kit: Water and Climate. We will investigate water on different surfaces!

Math

Goal: By the end of the module, the students will be fluent with properties of **Multiplication** and **Division** and solving problems with units of 2–5 and 10.

1. We are focusing on multiplying with units of 2 and 3 and using the commutative property.
2. Completing optional homework will score the students 2 points of extra credit! There will be mandatory homework nights though!
3. We will also begin learning our math facts! This week we will focus on the 3 times table. **There will be a test Friday!**

Important Announcements

I am so glad your child is in my class! Constant communication is key! Contact me on Remind at any time!

Consistently check your child's Engrade to ensure that you are staying up to date with their grades! If you need assistance getting on there or need the username and password let me know!

We have an exciting guest speaker coming this Friday!

We had a great first week! The kids are already doing amazing things!
