

# Mr. Sallade's Class

## Reading

1. We will be learning about how scientists explore the Ocean! We will continue to practice discovering the main idea in class!
2. **TURN IN PRACTICE EVERY NIGHT FORMS! THEY ARE DUE MONDAYS!**
3. Practice with your kids at home on [www.frontrowed.com](http://www.frontrowed.com) – Students can practice discovering the main idea on the ELA Skills section!

## Spelling

The test will be **Friday** for spelling. These are the same words from the previous week due to the work stoppage.

**Usually character friend whom heard order villain basin  
carton become muffin pumpkin deposit cannon poison**

## Social Studies

This week, we will be learning about taxes in the country! **The test will be Friday!**

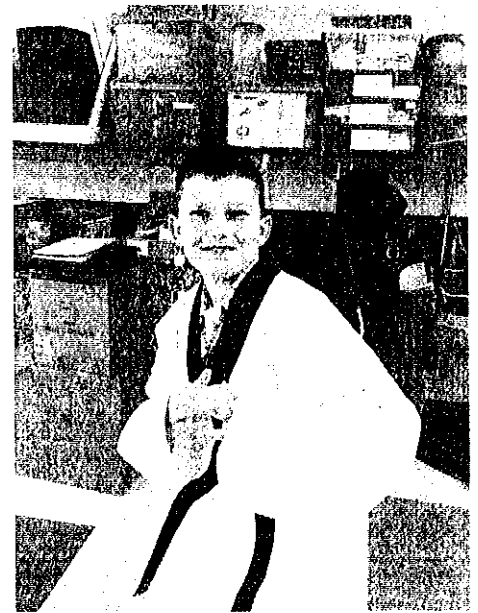

## Science

We will continue learning about Motion and Matter! Students will be learning about forces in motion!

## Math

Students will learn about fractions this week! This is a very important unit! We will spend a month on fractions! Look for teachable moments at home! There are fractions everywhere!

**Students will have a test on Thursday!! They will definitely be ready!**
