# Mr. Sallade's Class

## Reading

1. We will be reading articles about ife structures to correlate with our science material:

# Spelling - N/A

#### Social Studies

We will start learning about the different tourism regions in West Virginial Students will be working on a powerpoint to present during the last week of school!

We are presenting these on May 30<sup>th</sup>!! ALL PARENTS ARE WELCOME TO COME! I will send out another letter when we are closer to the event!

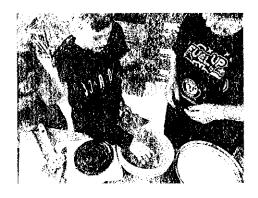

### Science

We will begin learning about the structures of life this week!

We will be doing a lot of science this week!

# Math

We will be starting fourth grade math. Place value will be our focus this week!
