

Hometown Elementary School's
2017-18 Aluminum Can Recycling Program

We will once again be collecting aluminum cans for recycling on the last Friday of each month. This is a win-win opportunity for students, families, our school and the environment.

Please place your cans in a bag that is label with the student's name, homeroom class and number of cans. (We track the number of cans recycled.)

Please, drop cans off at the front awning by 8AM each month.

Collection dates are:

August 25th
September 29th
October 27th
November 17th
December 22nd

January 26th
February 23rd
March 30th
April 27th
May 25th

Thank you for your support!
